Hans-Berger-Haus

mountain hut in Ebbs

Welcome to the Hans Berger Haus!

The Hans Berger Haus is located at 936 m and is the "rearmost" hut in the Kaisertal nature reserve. Hospitality is in the heart of the landlord and cooking, preferably in large quantities, is a passion of the whole team. The always hungry climbers sing praises of the kitchen. A good bottle of wine in the evening and the experiences of the day come true once again. It's no wonder that some people go into raptures at the thought of the Hans-Berger-Haus.
